Angel Wings Network Inc. will celebrate Pink Week

Pink Day will be noted on Oct. 13 at Weiser Classic Candy

by Mary Phipps

In the United States, October is National Breast Cancer Awareness Month, and the international awareness color for breast cancer is pink.

Locally in Washington County, Angel Wings Network Inc., a non-profit cancer support group, works to provide help to cancer patients, survivors and loved ones in the community. With extra motivation to create awareness in the month of October, founder Linda Roundtree began Pink Week and Pink Day, beginning with a proclamation from the current mayor of Weiser to declare a specific week and day "pink."

October 12-17 is Pink Week in 2020, and October 13 is Pink Day.

Highway district to consider vacating roads

by Mary Phipps

The Weiser Valley Highway District (WVHD) received a petition to vacate Weiser roads, including Curlew Hills Drive and any roads accessed from Curlew Hills Drive, according to public notice. A public hearing to present testimonies both for and against the abandonment of the roads is scheduled October 13, said David Stiff, Director of Highways.

"It's been a long time coming," said Stiff. "If it's abandoned, from that point on, no more public money would be invested into it."

The roads in question are a private development, said Stiff, and were intended to be held to basic state highway standards. Thirty years ago, landowners presented a contract stating the landowners

WHS 2020 HOMECOMING COURT

The students and staff at Weiser High School celebrated Homecoming last week. On Friday a coronation ceremony was held where the king and queen were chosen. The student body voted Sam Kerner as king and Alyssa Olvera as queen. Five boys and five girls were nominated to serve on the court. Above, front row from left, Ray Calley, Eric Torres, Queen Alyssa Olvera, King Sam Kerner, Kooper von Brethorst and Eli Ruiz. Back, Maddy Erickson, Reagan Doty, Macey Buescher and Kali Branstetter. The Homecoming parade was held after the coronation. A powder puff football game with the teams consisting of freshmen/senior and sophomore/junior girls was played on Roy Dickerson Memorial Field. The freshmen/senior team came out on top with a score of 14-0. The Wolverines football team took on the Payette Pirates that evening and dominated the game taking the win 70-15. *Photo by Jamie Brown.*

Rural and city fire departments will celebrate Fire Prevention Week with open houses

by Mary Phipps

Fire Prevention Week 2020 is October 5 through 9, and both Weiser Area Rural Fire and Weiser City Fire and Rescue departments said that they are excited to host their open houses and offer free food to community members.

Both events are scheduled for Wednesday, October 7, with Weiser Area Rural Fire Department's open house from 6 p.m. to 8 p.m. and Weiser City Fire and Rescue Department's open house from 5 p.m. to 8

p.m.

Rural fire is offering chili and hot dogs as well as a tour of the station and a fire demonstration with a miniature wooden house, and city fire is offering hamburgers and hot dogs, along with a tour and a bounce house. The Weiser City Fire and Rescue Department will also host a membership drive during the open house for individuals interested in joining.

City fire chief Kerry Nyce said that the best part of fire prevention week is seeing

children get excited for the fire trucks and equipment.

"I was a kid that hated the fire trucks... and now look at me, 40 years later," Nyce said. "My first drill was May 12, 1980 in Fruitland."

In past years, Nyce said that Fire Prevention Week would also find firefighters hosting events within schools, helping children become more aware. However, due to the

Festival of Trees gala will be a masquerade ball

The four day fundraiser will be held Dec. 2-5 with a gala and decorated trees

by Mary Phipps

Annually hosted by the Weiser Memorial Hospital Foundation, the Festival of Trees 2020 will be held December 2-5.

The multi-day event consists of a formal gala on Wednesday, a parade Friday, an open house Saturday until 2 p.m. and the delivery of auctioned trees on Sunday, with the possibility of an added event on Thursday.

Interspersed throughout the week will also be the Christmas Shop, with Hospital Foundation Executive Direc-

tor Casey Clark-Ney selling ornaments and other holiday themed items.

The Christmas Shop gives community members the opportunity to donate and contribute without placing an investment on a tree, said Ney.

"It's clearly a fundraiser, and we worked really hard to allow the community to participate at a variety of levels," said Ney. "Anybody gets to participate in lifting up and supporting our hospital."

The 2020 gala theme is see **FESTIVAL**, Page 12

Baker Auction employees donned top hats and formalwear for the Gala Evening during last year's Festival of Trees at the Vendome. David Trigueiro, left, and Marsha Glarborg think about getting in on the bidding for the decorated trees. This year's event will be held Dec. 2-5. *File photo by Sarah Imada*

Helping folks battling cancer in our rural communities for 12 years

Weiser High School band members are out painting paw prints for area residents and businesses. Above, Jesty and Tyler Hamilton are touching up a paw print with Wolverine red. The Proud Sound's marching band competition season was cancelled this year due to COVID-19. The Pep Band can still be heard on the sidelines playing the Wolverine fight song. Band members are out painting new and refurbishing old paw prints until October 16. Show your Wolverine pride and have a paw print painted. *Photo by Nicole Miller*

Support the band and show your Wolverine pride with a paw print

by Nicole Miller

Although the Weiser High School marching band, the Proud Sound, had their competition season cancelled due to COVID-19, they are still working hard supporting the Weiser Wolverines through Pep Band on the sidelines of the football games.

The Proud Sound is full of the Wolverine Spirit, and is helping all of Weiser show that Wolverine pride as well through their annual Paw Print fundraiser.

Individuals and businesses have supported this band fund-raiser by buying a painted paw print on their sidewalks and driveways. Some of the more creative placements of paw prints include a special giant paw print at JEBS Corner, a full dozen paw prints at Ridley's, and even a few on truck doors, sheds, and even on the sides of barns and houses.

The paw prints are a great way to support the Proud Sound and show your Weiser pride. Paw prints are \$25 for a large print (3 feet square) and \$20 for a small print (1 foot square). Decals including music notes, color guard flag, football, and megaphone can be added for an additional \$5 each. If you already have a paw print from previous years, reprints are \$20 for a large and \$15 for small.

Each band student solicits their own customers, so several of the students have taken turns painting around town. The band booster parents organize the distribution of the stencils and supplies. Booster president, Christy Maldonado hopes the community understands how much the band really appreciates the support.

"It's a fantastic fundraiser! And believe me, we are so thankful!" Maldonado said.

A few years ago, Jeremy Black made the stencils out of rubber belting so they would last a few years. This has worked great for the paw prints, but the decals have been added to each year and have had to be re-cut each year out of foam board, so the band is also looking for someone who can cut decal stencils that can last from year to year as well. They are hoping someone with a laser cutter can help them get some more complicated stencils including basketball, volleyball, and soccer.

The band members will be continuing to help the town show their Wolverine pride up until the last home football game on October 16. Contact any band member or Maldonado 208-230-5419 or cmjrmaldonado@gmail.com to get your print ordered before it's too late.

Death Notices

Thomas J. Otto

Thomas, J. Otto, 85, of Weiser, Idaho, passed away Sept. 30, 2020, in Weiser. Arrangements under the direction of Thomason Funeral Home.

Lela Irene Medairy

Lela Irene Medairy, 90, of Ontario, Ore., died Oct. 2, 2020, at a local care facility. Arrangements by Lienkaemper Chapel, Ontario.

Diane Dietzel

Diane Denise Dietzel, 55, of Ontario, Ore., died Sept. 10, 2020, at home. Arrangements by Lienkaemper Chapel, Ontario.

Glen Frederiksen

Glen Frederiksen, 92, of Nyssa, Ore., died Sept. 25, 2020 at a local care facility. Arrangements by Lienkaemper Chapel, Nyssa.

Francisco Rodriguez

Francisco Islas Rodriguez, 90, of Ontario, Ore., died Oct. 4, 2020 at home. Arrangements by Lienkaemper Chapel, Ontario.

Daniel E. Netcher

Daniel E. Netcher, 86 of Vale, Ore., died Oct. 2, 2020, at a local care facility. Arrangements by Lienkaemper Chapel, Vale.

John L. Echanis

John L. Echanis, 95, of Ontario, Ore., died Oct. 1, 2020, at a local assisted living facility. Arrangements by Lienkaemper Chapel, Ontario.

Virginia Lopez

Virginia Lopez, 44, of Ontario, Ore., passed away Sept. 24, 2020 at a Boise hospital. Arrangements are under the direction of Haren-Wood Funeral Chapel, Ontario.

Beth P. Walker

Beth P. Walker, 102, of Provo, Utah, formerly of Weiser, passed away on Oct. 2, 2020 at her daughter's home. Services are pending with Bowman Funeral Parlor of Garden City.

Virginia 'Ginger' Maloney

Virginia "Ginger" Maloney, 70, of Ontario, Ore., died Sept. 30, 2020 at a local assisted living facility. Arrangements by Lienkaemper Chapel, Ontario.

Charles E. Locey

Charles E. Locey, 92, of Fruitland, Idaho, passed away Oct. 3, 2020, at Edgewood in Fruitland. Arrangements are under the direction of Haren-Wood Funeral Chapel, Ontario.

A memorial to honor the late Phil Soulen, who passed away in October of 2019, was placed at Rolling Hills Golf Course. Prepping the ground this past summer are from left, Phil's son Harry Soulen, who is compacting the ground for placement of the sand stone, Tom Pritchard raking and Sam Lancaster who owns Root Ball and All. Long time friend and business partner Kevin Jones spearheaded the project with the help of many who gave their time and money to make the project possible. *Courtesy photo*

Memorial to honor Phil Soulen is built at Rolling Hills Golf Course

Phil Soulen was a well-known and generous leader of the community. With his passing in October of 2019, some members of the community wanted to have a way to honor his legacy. One of the ways that they have done this was to create a memorial in his honor at Rolling Hills Golf Course.

The memorial at the golf course was spearheaded by Kevin Jones. Jones is Soulen's long-time business partner and friend of his son, Harry Soulen.

"He was an iconic community guy. He was involved in so many things and donated to many causes. It didn't seem like we could let it pass without some kind of a tribute," said Jones.

Jones approached the Weiser Golf Association with the idea, and the association felt it would be a great honor to have the

tribute to Soulen be placed there.

The golf course was chosen because Soulen served on the board but also because it was felt that the golf course would have permanency, so the memorial would be able to stand for a long time to come.

The main portion of the memorial has been in place since this summer, but there are plans to continue to add additional seating and expand the memorial soon.

The memorial is made of sand stones and features benches for seating. The stone was chosen because it would last and for its low maintenance. Originally the plan was to use stone from one of Soulen's ranches, but they also wanted to consider the aesthetics of the golf course and have it fit the surroundings. They decided sandstone from a local

quarry in Boise would be a better match to the existing architecture.

While the Weiser Golf Association approved the project when Jones brought it to the board and worked with him to bring it to fruition, the entire project was privately funded.

Jones also wanted to emphasize that the project was only successful thanks to the efforts of many people. There were architects and engineers who contributed their expertise to the design, several people who contributed to the physical labor of placing the stones, and many others contributed financially.

"It would be almost impossible to list everyone who helped, and it would not have been successful without the help of everyone who contributed whether it was money, time and labor or expertise," Jones said.

Bingo is back at the Weiser Senior and Community Center

by Joanne Braden

Yes bingo opened at the Weiser Senior and Community Center, starting on October 2, 2020, and will also be starting the twice a month breakfasts, the first and third Saturday's of the month, on October 3 and October 17!

I have been waiting for a long, long time to be able to report this. The pool room has been open for awhile, for you pool players. Sorry no word on pinocle as yet. Sorry I didn't get this in the first week of the month, but there was a goof up in the sending to the paper.

Slowly, so slowly, things are coming together, although we are considered still in the orange zone of the COVID-19 virus. Just waiting for the day I can report all one or at least in the bottom color zone! Enough has been said about the virus, in my opinion. Please just keep on doing as

you are and we will get through this!

Fall is fast coming upon us, but I am not looking for the cold weather ahead. The fall colors of orange, rust, yellow, red, brown, with a slight touch of green and tan are so beautiful to see. If you can't drive, try to get someone to take you on a ride to see them after the first good frost. That's what I'm going to do.

Try to keep up with some form of exercise if at all possible. Find a new hobby if you don't have one. Paint some pretty rocks and have your youngster and school kids plant them around town where people can find them, and be encouraged. Learn to knit or crochet, or maybe make bead jewelry. Make a scrapbook, or maybe start or continue a collection of something you love. There are all kinds of ideas out there.

The Artful Bon's shop gives lessons on learning crafts, painting, all kinds of things. I took a class on making dream catchers, and it was amazing as well as fun!

Have a great week and see you next time! Hugs, Joanne.

Diastema?

Have you ever heard of a diastema? Even though you may not have heard the word before, you have seen one and know what it is. Many famous people like Arnold Schwarzenegger, Madonna, Michael Strahan, Eddie Murphy and David Letterman all have one. Do you know what it is yet? A diastema is simply a space or a gap between teeth.

Some people like the way their teeth look with a diastema, but many people choose to close their diastema. There are three ways that a diastema can be closed; braces, a composite filling or veneers/crowns.

Braces close the diastema by simply moving the teeth closer together. The shape, size and color of the teeth are

unchanged. Braces can also fix many other bite issues.

To close a diastema with a composite (tooth colored filling) material is added to the two teeth until the gap is closed. The composite is closely matched to the color of the tooth.

With veneers/crowns the teeth are shaped, then an impression is taken and a few weeks later the veneers are cemented on. Veneers can change the size, shape and color of the teeth.

If you have questions about what option would be best for you please give us a call, we would love to discuss your options.

If you have a topic for an article send us an email at dilledental@gmail.com, or better yet, stop in at our office. We love to talk about teeth and we will be happy to answer your question(s) in future columns.

OPINION

FROM THE MAYOR'S DESK

What a great homecoming week we had

Wow! Weiser High School capped off homecoming week with a bang last Friday.

After celebrations at the school and an excellent homecoming parade, the football team left no doubt about the winner, dominating the game with a 70-15 win. Congratulations to the players and coaches for a great game!

The School District is also doing a great job on its COVID-19 containment efforts. The last report from Southwest District Health states that as of last Thursday, there have not been any cluster outbreaks within the schools. Good job to Wade Wilson, staff, and students for keeping the spread down to a minimum.

In Washington County, the number of cases has increased by 53 over the prior 14 days to 386, as of last Sunday. These numbers have put us in the "Orange" category and climbing. With colder weather coming, experts are predicting that the rate of new cases will continue to climb as we

Mayor Randy Hibberd

move indoors. One of the myths going around about COVID-19 is that a person does not need to be concerned about any serious effects of the virus unless they have pre-disposing factors. However, the Southwest District Health's local numbers show that more than 60 percent of those that have died from COVID-19 did NOT have any pre-disposing conditions other than age. In fact, of the 36 deaths in our region of those under the age of 60, exactly 2/3rds did not have pre-disposing factors. In other words, this virus remains un-

predictable. The best way to fight it continues to be wearing masks, distancing, and washing your hands. It is going to take all of us working together to get past this bug. The City Fire Department will have its annual public open house on Wednesday, October 7, from 5 p.m. to 8 p.m. Come on down to the station at 55 West Court St., for hot

dogs, chili, and nachos. It will be a chance to meet and thank the people who are there for you in an emergency.

Also, the railroad crossing on West Third Street will be closed this week. The crossing itself is being dug up and completely replaced to solve a problem it has had with shifting and rising on one end.

The Recreation Department is continuing to sign up kids for the youth basketball program through October 14. The registration is for first and second grade boys and first through sixth grade girls basketball clinic and scrimmage, and third through sixth grade boys youth basketball.

The third through sixth grade girls youth basketball will be played after the first of the year with a registration deadline of December 9.

In addition to youth basketball, the Recreation Department will be hosting a men's basketball league this year. Registration will be through October 21.

For more information on the basketball programs, contact the Recreation Department at 208-414-0301.

Well, that's it for this week. Stay safe and hope you enjoy this great fall weather.

GUEST COMMENTARY

Do you and your legislator agree?

There is a major mismatch between Idaho voters and the representatives they elect.

Medicaid expansion is a prime example. For seven years our legislators refused to consider it, then the people voted for it by 60 percent and majority of legislators set out to limit who would be covered.

If that was not enough, many complained that voters were uninformed (i.e. ignorant) and lectured on how representatives were to vote according to their judgment, not ours.

We can find other examples by comparing legislative actions with polling results released last January in Boise State University's fifth annual Idaho Public Policy Survey.

For instance, a total of 80 percent of those surveyed felt that requiring signatures from 6 percent of the registered voters in 18 of the state's 35 districts be-

fore placing initiatives on a ballot was about right or too difficult.

Yet, during the 2019 legislative session almost 70 percent of the legislators voted to make passing an initiative significantly more difficult.

Every County legislator voted for requiring a higher percent gathered in more districts in fewer days. Only Governor Brad Little's veto protected Idahoans' rights to initiate laws.

Our representatives wanted to make it next to impossible for their constituents to take direct action on issues they refused to address.

The Policy Survey by BSU also found that over 61 percent of those surveyed felt that residents should be able to vote on whether a city or county levies a local sales tax for needed improvements.

Idaho counties and cit-

ies rely heavily on property taxes for their revenue. For decades they have looked to local option sales taxes as a means to diversify funding sources and to make possible projects that the state doesn't regard as priorities.

Idaho law does allow resort cities with populations of less than 10,000 to pass a local sales tax and auditorium districts to pass a local hotel tax.

From 2003-2009 the state did allow a half-cent sales tax for building a jail if 2/3rds of the voters approved. But even that option is no longer available for Idaho cities and counties.

Overall, however, Idaho legislators are denying voters the right to decide.

The Policy Survey also indicates that voters regard adequately funding schools as more important than cutting taxes.

Even without the survey, that is obvious. Voters have approved over \$200 million to fund annual supplemental levies for school districts in spite that property taxes are generally the most hated. The amounts paid from year to year are easily compared, and they continue to

Your Faith

How sharp is your sword?

Church of the Redeemer

Imagine the wisdom and practiced discipline of surgeons using only the sharpest instruments to perform their surgeries. A finely sharpened scalpel to cut a clean line leaving the greatest chance of little or no scarring in recovery. Now, imagine attempting the same with a plastic serrated knife.

There's nothing like being properly armed for the task at hand.

From the first word to the last, Scripture is the complete story of the love God has for His creation and His plan to faithfully restore it back into perfect communion with Him.

By God's will, word and breath, all of creation came to life. By inspiration, He directed all this awesome power of life into what we're taught is our greatest weapon for fighting the good fight laid out before us.

God's word, sharper than any two-edged sword, is used by Him as a precision instrument of power to cut to the very center of our being laying bare before Him all we are, that by it the evil one will be overcome, and we may be healed and shaped into His treasured possession.

Once His, we are called onto the mission field as God's warriors in the mighty battle for souls, armed with the sword of His Spirit, which is His word.

To know His word, made alive in Christ, is to finely sharpen this great weapon we've been given. By the power of the Holy Spirit it can then become our precision instrument used to overcome the evil one and heal and shape others into the treasured possession of our loving, faithful, Creator God and Father.

So, how sharp is your sword? – Jody R. Goode, redemerweiser@gmail.com.

Hebrews 4:12-13 (NASB) - For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart. And there is no creature hidden from His sight, but all things are open and laid bare to the eyes of Him with whom we have to do.

Ephesians 6:13,17 (NASB) - Therefore, take up the full armor of God, so that you will be able to resist in the evil day, and having done everything, to stand firm. Take...the sword of the Spirit, which is the word of God.

Just something to think about

Here I sit at my computer. The sun is barely peeking into our little valley...and it is after 9 a.m. The time change will be here next month. I think I am ready. I still prefer that we did not have the time change. Fortunately, I am not a politician!

The trees are thinking about dropping their leaves. I love the crackle they make when I walk through them. I guess I am still a kid at heart.

What are we going to do about Halloween? I usually get four to six youngsters out here at the farm. I guess their masks will be enough

protection for them. As long as I wear one, too. There are some interesting masks that folks are wearing. They make me smile.

I have not read anywhere in the Bible of anyone wearing masks. Our masks are there...just well hidden. We put on a smile when we may be crying inside. Not many safe places to show our real selves. However, God already knows us inside and out. We can talk to Him, and know that our secret sadnesses are safe with Him.

Just something to think about.

C. Shaw

The future is bright

Riverside Baptist

It is easy to be discouraged during COVID-19. Our regular routines are interrupted. Our freedom is restricted. Many are in quarantine or self isolation. Churches in some states are still unable to meet.

It is easy to get discouraged. We are all looking forward to the day when things get back to normal. It feels like we are in prison.

Paul was under house arrest in Rome for two years. It was a prison with great freedom. He lived in his own home. He probably had a guard assigned to him so that he wouldn't run off. Paul was in bondage for the sake of the

gospel of Jesus Christ. The presence of Christ sustained him while in Rome.

Paul was in chains but the gospel is unchained. The last verse of Acts says that Paul proclaimed the kingdom and taught about Jesus without hindrance.

The gospel powerfully grows to the ends of the earth. The gospel will continue on through trial, persecution, imprisonment, and even COVID-19.

God is faithful to free people from bondage to sin. Gospel freedom results in people living under Christ's rule as God's kingdom citizens. Our future is bright because of the power of the gospel. The gospel will never be

imprisoned.

"He lived there two whole years at his own expense, and welcomed all who came to him, proclaiming the kingdom of God and teaching about the Lord Jesus Christ with all boldness and without hindrance." (Acts 28:30-31, ESV).

Our church meets on Sundays at 10:45 a.m. for worship. We are currently having a service for high risk folks at 9:30 a.m.

If you have any questions about this article, the Bible, or our church please feel free to email us at rbcweiser@gmail.com. Our church website is riversidechurchweiser.com.

Pastor Ian Ross

Robo-calls are annoying

St. Luke's Episcopal by Carolyn Wesner

So annoying! Those calls that come in from who-knows-who trying to sell something or get you to do something. These sneak attacks aren't new, they're just in different formats these days.

Back in Old Testament times, after Moses and God had convinced Pharaoh to "Let my people go," the descendants of Abraham went to the land of Canaan, their new home. Other people were occupying some areas, and that's when the trouble started.

One group from a place called Gibeon decided to "pull a fast one" on the advancing Israelites by pretending to be from

somewhere far, far away. They dressed up in raggedy clothes and worn out shoes, and even carried moldy food in their back packs.

"See?" they said, "We've travelled a long distance to make a peace treaty with you, since your nation is so great and mighty!"

The leaders of Israel were completely taken in by the smooth talk, phony disguises and spoiled food; they made a treaty. Later, of course, it was all found out and there was a very unhappy confrontation.

How can we tell if we are being tricked or deceived? First: listen long and carefully. The Bible says that what comes out of the mouth comes from the heart. Second: look

who the person's friends are. Are they people of integrity and knowledge? A person's friends tell a lot about them. Third: what's the history of this person? How has he/she conducted their life in the past?

It pays to be diligent, do the research for yourself, looking and listening in order to avoid being taken in, and then putting trust where it is truly deserved.

King Solomon had it right when he said: "Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge God and he will direct your paths." Good words for all ages.

Listen for the St. Luke's bell Sundays at 11 a.m.!

Weiser High School Alumna

In the Spotlight

Weiser High School graduate Megann Kammerman and her younger sister, Kristann Kammerman joined together with their writing and illustrating skills and produced a children's book, 'The Bellow of the Beast.' The book explores the choices we have to make between fear and friendship centering around a village that is plagued with fear and misunderstanding. The two hopes their book taps into the fearlessness of the changes many are facing this year.

Weiser roots to children's book

Kammerman sisters co-author and illustrate book on fear and friendship

by Nicole Miller

2013 Weiser High School alumni Megann Kammerman and her younger sister, Kristann Kammerman, who also attended Weiser schools, have co-authored and illustrated a children's book "The Bellow of the Beast."

Kammerman's book explores the choice between fear and friendship. It tells a story of a village plagued with fear and misunderstanding.

The main character, a

young boy named Derek and his adventurous bunny discovers that things are not always as they appear and that friendship goes beyond physical appearances.

With their story, the Kammermans hope to have tapped into a vital theme in this year of change and unknowns. The women said their story is a "timeless story about fearlessness."

Based on reviews from readers, the sisters said they feel their book is

successful in this goal. One reader said, the "charming children's book addresses the topic of fear in an utterly disarming manner...this story may be written for young children, but it is subtle like a zen riddle and engaging for people of any age."

The idea to write "The Bellow of the Beast" together began when Kristann said she awoke remembering a vivid dream. After sharing the dream with her sister,

she said they knew they needed to collaborate on the project together.

Two years later, they are now excited to share their creative collaboration with the world. The two sisters also illustrated the story with vivid pictures throughout.

Megann and Kristann are recent graduates of Maharishi International University in Fairfield, Iowa. They were born in Utah and have lived in Montana, Idaho and presently reside in the moun-

tains of northern Arizona.

Megann said she found her love for writing during her time as a fiction editor for Metafor Magazine and working as a writing tutor for the MIU writing center.

Megann defines her style as a speculative fiction writer, editor, and artist specializing in the genres of fantasy, science fiction, steampunk, and anything with magic, dragons, or starlight and spaceflight and gods that walk the worlds. She

is currently writing her first full-length fantasy/sci-fi novel, "Soot of the Stars."

Kristann spends her time as a digital and webcomic artist. She has web-based comics on her personal blog www.im-mabunni.com/.

Bellow of the Beast was published by Starwhale Books in the spring of 2020 and is now available at Amazon.com, BookShop.org, BarnesandNoble.com and at BellowoftheBeast.com.

Peppers Coffee Shop in downtown Weiser changed ownership last week. Nicole Sharp sold her business to Abby Buller who will be adding baked goods to the already large assortment of drinks. Buller, above, specializes in cinnamon rolls and breads and will be expanding her menu. *Photo by Mary Phipps*

Enjoy and cup of coffee and enjoy a sweet treat

Abby Buller will take over ownership of Pepper's coffee shop and will add baked goods to the menu

by Mary Phipps

Baked good plans are in the works at Pepper's coffee shop in Weiser, said previous owner Nicole Sharp.

Abby Buller, a local to the Weiser River Valley, has recently bought the beloved coffee shop from Sharp and plans to sell homemade bakery items as well as the usual assortment of drinks. With the intention to expand as Pepper's moves locations, Buller said she will start small with bakery items and continue to grow and experiment as opportunity comes.

"You take chances and see what the city wants," said Sharp.

Buller, 18, said she learned to bake at an early age, her grandmother first teaching her to make pie crusts and giving cinnamon roll dough to play with. Receiving encouragement from her parents, Buller and her mother began selling their baked goods at the local farmers market, selling a variety of items including cinnamon rolls, breads, and pies. The family met Sharp through the market and developed a friendship with her within Sharp's first year of owning Pepper's.

"I fell in love with their baking and their personalities," said Sharp. "They are just the sweetest people."

After spending time in North Carolina baking at a Mennonite owned restaurant, Buller decided to pursue the concept of starting her own bakery. Discussing the idea with Sharp, the two decided to join

forces. Sharp said she had been contemplating selling Pepper's, and even had interested buyers. However, the Buller family was her first choice to work with and sell.

"It just kind of worked out," she said. Buller said she is excited for the new venture, finding baking not only enjoyable but a skill that comes naturally to her. Cinnamon rolls and breads are her favorite items to create, she said, finding the process of rolling the dough fun and loving seeing the dough rise and come to life.

"To me it doesn't come as an effort," she said. "Me, I just throw [the ingredients] all together and it all just seems to work out and I don't even know what I do."

With the move to the new location in the works, Buller said she is looking forward to the opportunity of creating a place of her own. While the move is not yet scheduled and both Buller and Sharp said it will take some time, Buller will likely keep the business model of the bakery to mostly taking orders for larger items, such as pies, and selling smaller items in the store, such as cinnamon rolls.

Sharp said Buller brings a much-needed energy to the store and is very gung-ho toward any project. Both women said they are excited for the many changes coming to their lives and to the community.

"I'm excited for Weiser," said Sharp.

Zions Bank is for you.

HOME EQUITY CREDIT LINE

1.99% INTRO APR¹ FOR THE FIRST 6 MOS.
3.50%-5.00% VARIABLE APR¹ THEREAFTER

To learn more visit zionsbank.com/HomeEquity or your nearest Zions Bank.

ZIONS BANK

1) Annual percentage rate (APR) is variable and may increase after closing based on the Prime Rate as stated in the Wall Street Journal - rates effective as of 9/24/20, plus a margin and is subject to change at any time without notice. APR is based on commitment amount, loan-to-value up to 80% and credit worthiness. If the rate adjusts, the minimum APR will not be lower than 3.50% and the maximum APR will not exceed 21%. The lowest advertised 1.99% variable APR is based on 1st and 2nd lien positions, loan-to-value less than 70% and excellent credit history. Offer does not apply to rental/investment properties. Existing Home Equity Credit Line must be increased by at least \$25,000 to qualify for 1.99% introductory APR. Minimum loan amount is \$5,000. Collateral must be owner-occupied single-family residential property, including condos, townhomes, and duplexes located in Utah, Idaho and Wyoming with a maximum 80% Loan-to-Value and excellent credit history. Property values will be determined by lender, any appraisal required by applicant will be at the applicant's expense. Property insurance is required. Fees that may apply to the Home Equity Credit Line: Certain account activity may range from \$5.00-\$50.00. Early closure fees range from \$500-\$1,000 and will apply for terminating the plan within the first three years. Modification fee of \$250.00 applies. Offer expires February 28, 2021. Loans subject to credit approval. Terms, conditions, and restrictions apply. Contact a local Zions branch for details.

October is breast cancer awareness month across the country. Mayor Randy Hibberd, center, presented the city proclamation declaring the week of Oct. 12-17 as Pink Week in Weiser. Tuesday, Oct. 13, will be 'Pink Day' and everyone is invited to wear pink in honor of all the warriors battling cancer and the survivors who have beat this disease. Angel Wings Network, Inc. and Weiser Classic Candy invites all area breast cancer warriors and survivors to stop by Weiser Classic Candy between 10 a.m. and 3 p.m. for pink cupcakes, chocolates and treats. Above with Mayor Hibberd are from left, Eleonore Huggins, board member of Angel Wings, Patrick Nauman of Weiser Classic Candy, Mayor Randy Hibberd, Mabel Dobbs, executive director of Angel Wings and Mary Chavez, board member of Angel Wings. Please stop by and support the amazing folks from our rural communities who have won the breast cancer battle or are valiantly fighting to win.

from page 1

Cancer warriors and survivors to be honored on 'Pink Day'

Angel Wings Director Mabel Dobbs and its volunteers encourage community members to wear pink on Tuesday and invite breast cancer patient and survivors to Weiser Classic Candy from 10 a.m. to 3 p.m. for cupcakes and candy.

"Pink Week is a recognition and brings to the forefront that October is Breast Cancer Awareness Month," said Dobbs.

The previous two years, Pink Week was scheduled in conjunc-

tion with the Angel Wings' Walk/Run, another major event. However, with the COVID-19 pandemic, the Walk/Run was held virtually this year, and the two events were not able to be used together.

The week has offered different activities for different years, including local company MTE Communications serving hotdogs and t-shirts designed by Angel Wings for high school students.

"It's just a way of recognizing breast cancer," said Dobbs. "And it's extra special to us because our founder is a breast cancer survivor."

With Weiser Classic Candy creating all the sweets that will be given out, Pink Day is intended to be dedicated to celebrating all cancer survivors and fighters as well as breast cancer, said Dobbs.

Angel Wings Inc. was created in 2008 after Linda Roundtree received her own breast cancer

treatment and wished to pay it forward, said Dobbs.

In 2013, the decision was made to expand and rent a location for the organization, and Dobbs herself came onto the board.

"We always want to do something extra special for Breast Cancer Awareness Month," said Dobbs. "We select a day that is Pink Day and promote everybody in town wearing pink that day."

While this event is significant for Angel Wings, it is not a

fundraiser for the organization. The non-profit does not have a sustaining source of money, said Dobbs. Instead, the organization runs solely on donations made by individuals, through fundraising events such as the Walk/Run, and through grants from other organizations such as Weiser Memorial Hospital.

"[Pink Week] is not a money maker," said Dobbs. "It's just something that we're grateful to be able to do."

Food and fun are planned at both fire departments on Wednesday

COVID-19 pandemic, both rural fire and city fire have been reduced to one event.

With the recent serious fires in the Washington County area, Nyce said that it has likely shown children and adults that major fire events can happen close to home.

"Especially with the Woodhead Fire, I think it makes [Washington County residents] realize that fire is dangerous," said Nyce.

Masks will be required

and provided while in attendance and when not eating at the city fire event, however not at the rural fire event.

The volunteer association for city fire as well as the women with the ladies auxiliary will be helping with the food provided at the city fire department event.

The Weiser City Fire and Rescue Department is located at 55 West Court St., and the Weiser Area Rural Fire Department is located at 167 W. Commercial St.

Curlw Hills Drive to be discussed

would maintain the roads in question, said Stiff. Over the past 30 years the roads were intended to be developed by landowners and have not yet been, said Stiff.

"It's going to take a lot of money to get it to standard," said Stiff.

The public hearing will be held at the WVHD offices at 998 Olds Ferry Road, on October 13 at 7 p.m. Anyone choosing to attend,

please wear a face mask and social distance, said Stiff. There is a five-minute limit per public testimony per person, said Stiff.

The petition presented to WVHD to vacate the roads in question is available for review during WVHD office hours. It is recommended that a telephone call be first placed to WVHD at 208-549-1761 to arrange a time.

Community event kicks off the holiday season

masquerade and is titled "O' Night Divine," creating an elegant event while playing with the irony of the necessity of mask-wearing this year.

The trees this year will likely be a blend of both live and faux trees to be auctioned live at the gala event and are decorated by groups of volunteer decorators.

An application is sent to a list of past tree decorators, who are given the opportunity to volunteer to decorate, said Ney.

A silent auction will

also take place, however, has been moved completely online. Wreaths decorated by the hospital employees will be sold online via silent auction, which was experimented with last year to great success, said Ney.

"It's like the kickoff to our holiday season," said Ney. "It's just kind of nostalgic."

Ney also is working to create a virtual platform for the live auction of the trees so patrons not comfortable with the setting may still contribute.

She said she hopes that there will be no limit on the amount of gala tickets sold, with a usual 350 guests in attendance during previous years.

In 2019, the goal amount raised from the Festival of Trees was \$85,000. This year, the goal amount to raise is \$100,000, with the money gained by the fundraiser to benefit equipment and programing needs to the hospital.

In previous years, the hospital has announced specific projects with

which raised funds would contribute, while this year money raised would be available for most any assistance requested by the hospital.

Though some of the events and a large amount of small details are "to be determined," Ney said she wants the Weiser community to know the event will continue.

"It's this community event that I think really brings people together, gives us something to rally around," said Ney.

Robinson has been charged with 26 counts of lewd conduct

Annex, Ore., resident Donald Robinson, 86, surrendered himself after a warrant for his arrest was issued out of Washington County last Friday.

Robinson has been charged with 26 counts of lewd and lascivious conduct with a child under the

Donald Robinson

age of 16, said Washington County Sheriff Matt Thomas.

An investigation is ongoing to discover if there are other victims, however only two are confirmed at this time.

The events began in 2008, and both victims were under the age of 16 at

the time.

"I hope there's not anymore victims," said Thomas. "We think there probably are more victims. This usually just doesn't happen one time."

Robinson is currently in the Washington County jail. A preliminary hearing has been scheduled for October 19 at 1:15 p.m. The Washington County Sheriff asks for any information in connection to Robinson or more victims of Robinson is known, to please contact the sheriff's office at 208-414-2121.

Willy Shirts (40) carried the ball down the field for 74 yards rushing and crossed the end zone three times to help the Wolverines take the 70-15 win. Weiser's offense had a total of 495 offensive yards with eight different people scoring touchdowns. Jesus Valdez (68) and Bryce Crimin (88) are working their way up the field to assist Shirts. The Wolverines will face McCall this Friday at home. Photo by Keith Bryant

Homecoming game is big win for Wolverines

Weiser offense ran the ball for 495 yards and had eight players score touchdowns

by Katie von Brethorst

Weiser Wolverine football faced the Payette Pirates this past Friday encompassing Homecoming and senior night all in one.

The Weiser community came out in droves and the hill was once again filled for the fall time tradition.

Coach Tom Harrison gave a speech Thursday to the student body during Homecoming activities showcasing what the football team means to the community.

"These boys represent all of you on the field and off of the field. They truly know what it means to do this and when they win, the entire community wins," Harrison stated.

Weiser definitely represented their community well with a win against Payette 70-15.

It was a game of going back to basics for the Wolverines as they worked the run game with just

five passes made in the game for a total of 145 yards.

Brett Spencer did have one ball in the air for an opening touchdown early in the first quarter to Kooper von Brethorst for a 74-yard reception and put the first points on the board for the Wolverines.

Spencer then added another late in the third quarter to Carlos Arana for some icing on the cake.

Weiser totaled 495 offensive yards which is quite the feat in high school football. Also offensively, the Wolverines may have set a record, and it was a record for Tom Harrison as a football coach to have eight different people scoring touchdowns in the game.

Scoring for the Wolverines with great help from the offensive line blocking was: von Brethorst, Willy Shirts three times, Jack Burke, Beau Shields, Nick

Swank, Arana, Clayton Beesley, and Levi Estes.

On the rushing side of the offense, Weiser had 29 rushing attempts for 350 total yards. They averaged just over 12 yards per run, working efficiently down the field.

Notably Weiser's Michael Youngberg had two carries for 79 yards, Shirts worked the ball down the field six times for 74 yards, Brett Spencer added five runs for 53 yards, Brock Spencer rushed three times for 44 yards, Burke added three runs for 39 yards, and Swank had two runs for 29 yards.

"When you have as many options for running backs to make plays like we do, life is good," head coach Tom Harrison stated.

On the defensive side of the ball, Weiser took command of the field.

Defense never gets the credit it deserves, but there were many

tackles, one sack, an interception, a blocked punt, and a blocked pass to make the evening interesting.

Weiser's defense held the Pirates efficiently, allowing 27 rushing attempts that averaged just 1.3 yards each and held their offense to just 136 total yards.

Payette punted the ball in the first half and Youngberg knocked it down using his helmet. Also in the first half of the game, Shields batted down a pass by the Pirates and forced them to punt on fourth down.

Rylee Willet sacked the quarterback in the third quarter, which turned the ball over on downs for the Wolverines and Brayden Walker intercepted the ball in the second half of the game for the Wolverines.

"These guys play both sides of the ball and never get a break, so forcing as many turnovers as they did is a great accomplish-

ment," coach Harrison said.

After the game coach Harrison also shared a story about how great our community is. He has had many parents, individuals, and businesses step up and ask what they can do to contribute and notably, John Harris, owner of Sears Hometown in Ontario and a Weiser resident, gave the incentive of \$50 per touchdown scored for the homecoming game.

"You know, we have the best group of people in this town. Everyone is willing to give their time and energy to these boys and to their community. I have moms making dinners, individuals and businesses bringing us water and supplies and now to have John do this is just amazing," Tom stated. Thank you Weiser for a great Homecoming!

Weiser will face McCall at home this next Friday in a conference game.

Wolverine boy's soccer team coming together as a team

As the regular season winds down the Weiser boys prepare for district tourney play

by Tina Watkins

Teamwork is the name of the game as the Weiser boys soccer team continues their season.

Tuesday, September 29, the team traveled to McCall for the second game in a row against the Vandals.

It was perfect soccer weather up among the trees. Weiser took the opportunity to change up strategies and try different defensive tactics against the Vandals.

"The game with McCall was pretty even the first half," Bokides said

McCall took control of the ball right off and made a quick attempt at the goal,

but Weiser defended the goal and worked well together for the next several minutes keeping it out of the net.

Goalkeeper Gabe Rasmussen had a great save in midair from a corner kick attempt. Play continued at the Weiser net with an attempt by McCall's lead scorer off a Weiser foul, but again it was unsuccessful.

The Wolverines gained control of the ball and headed down the field for some play at the McCall net with a goal attempt that was blocked. McCall took back the ball, determined to score, but Rasmussen blocked three attempts in a

row to keep the score 0-0.

Down the field again, Weiser had a chance to score off another foul but McCall defense kept it out of the net. The next ten minutes of play was evenly matched as the teams moved back and forth across the field with neither team able to move the ball close enough for any goal attempts. Weiser displayed the growth of their teamwork with solid touches and passes as they worked together.

Then the Vandals upped their game and kept the ball near the Weiser net. They had four shots on goal, but Weiser defense blocked all of them.

With six minutes left in the first half, Weiser fouled inside the goal, which meant a penalty kick for McCall. These are tough kicks to defend, as the goalkeeper has the entire goal to defend alone, with no help from teammates. Vandal top scorer, Bernard Kindall, was shooting. Whistle – ball in play. Kick – blocked by goalkeeper Rasmussen! Weiser ended the first half with an attempt at the McCall net, but no score ending the first half at 0-0.

Second half of the match McCall took the ball again to the Weiser goal.

"Only three minutes into the second half, Weis-

er was caught on their heels. McCall played give 'n go passes up the middle of the field, followed by a goal by #7 (Kindall)," Bokides said.

This put the first score on the board. The Vandals brought the ball back to the Weiser net for another attempt by Kindall, but this one was blocked.

The Wolverines pulled things together and moved the ball down the field for their own attempt to score, but it was too wide to go in the net. Again, play went back and forth for a period of time with no one close enough to attempt a goal on either end. Then the Vandals powered down

to the Weiser net and put the ball right past the goalkeeper for a second score.

Ten minutes of play followed with some strong passes and stops by Weiser, but they just weren't able to move the offensive game down to the net.

The last 20 minutes of the game was more of the same. Yellow cards on both sides were given, including one to Weiser for repeated fouls and one to McCall for mouthing off to the referee, but neither the Wolverines nor the Vandals were able to make any more scores count. Game ended with a score of 2-0 in favor of the Vandals.

Wolverine blockers made it tough for the Vandals to add any points to the scoreboard. The Lady Wolverines played tough defense and their offense added the points to take the sweep against McCall-Donnelly on Thursday. Above, Whitney Cordes and Tobie Noyer show the strength of the Wolverine front line in volleyball action against McCall. Photo by Zane Davis

Lady Wolverines sweep the Vandals

Weiser plays two games during homecoming week losing to Parma and beating McCall-Donnelly

by Zane Davis

The Lady Wolverine volleyball team had a busy week with homecoming festivities on top of two conference games on the schedule.

The first game of the week was a match on the road against the Parma Panthers on Monday. The Lady Wolverines never could find a consistent groove and succumb to the power of the Panthers in straight sets, 25-13, 25-13 and 25-15.

The Lady Wolverines rallied back from their tough loss to the Panthers to hand out a sweep of their own against the McCall-Donnelly Vandals on Thursday, 25-15, 25-22 and 25-17.

With the student section filled with “explorers” for Adventurer Day of homecoming, the Lady Wolverines came out playing energized and focused.

Senior Reagan Doty, recorded a hard kill to get the side-out for the

Wolverines and began serving. Doty helped the Wolverines take a 2-0 lead, and with the aid of an ace serve from senior Macey Buescher, an impressive stuff block from Jasi Yraguen and a tip kill of an overfed pass by Doty, the Wolverines found themselves with an 8-3 lead.

An occasional miscue by the Wolverines kept the Vandals in the hunt, but the Wolverines never let down their guard and kept swinging hard.

Doty and Yraguen had two kills apiece, while Mattie Shirts and Whitney Cordes both tallied big kills from the front row and Buescher found her mark from the back, taking a 19-12 lead.

A sneaky dump set on the second contact from Danica Lockett landed directly in the center of a gaping hole in the Vandal

court, followed by an ace serve for Lockett and a kill by both Doty and To-

bie Noyer, which gave the Wolverines a commanding 23-13 lead.

Cordes and Yraguen capped the set off with a very nice stuff block, winning the set 25-15.

Despite the momentum of the big first set win, the Wolverines faltered a bit in the second set, allowing the Vandals to stay close.

Doty and Ivy Morris added a pair of aces, coupled with kills from Shirts, Doty and Noyer to keep the set close to the 8-8 mark.

Freshman setter Lockett, began serving for the Wolverines and went on a 5-0 scoring run with the help of a back row kill from Buescher and a stuff block from Noyer.

The Wolverines and the Vandals had several long and aggressive rallies, and the Wolverines consistently managed to come out on top.

Leading 13-8, the Vandals snuck in a couple

points on the Wolverines, but a sneaky dump on two by Lockett put the Wolverines back in command.

Doty continued to impress with another ace serve, while Cordes and Yraguen both tallied big kills for an 18-12 lead.

With the end of the set within sight, the Wolverines stumbled with their previous level of momentum and allowed the Vandals to go on a 6-1 scoring surge and pulled within 1-point at 20-19.

A Vandal service error halted their scoring surge and Yraguen started her time behind the line with an ace.

Despite a Wolverine service error, Doty recovered the possession for the Wolverines with a nice kill. Lockett began serving and brought the Wolverines to set point at 24-21 and Doty finished it off with a kill for a 25-22 victory.

The Lady Wolverines wasted no time getting the

energy going with Noyer slamming down a kill on the first service. The crowd was loud, and the student section was energized, which in turn extended to the court, helping the Lady Wolverines take a 5-1 early lead.

Another kill from Noyer prompted a Vandal timeout, and the Vandals were able to bridge some of the scoring gap to 7-8, but Morris stopped the run with a sneaky dump set on two for the Wolverines.

The Wolverines stepped hard on the gas and were slamming down balls from every angle, with hitters mixing up their typical rotation and hitting from every position in the front row.

The versatility of the Wolverine hitters had the Vandals on their heels and during the next 9-points, Doty tallied an ace and three kills, followed by two kills from Cordes and one from Emma Tolman.

Noyer and Cordes also

collaborated on a big stuff block that had the crowd on their feet.

Leading 16-9, the Wolverines continued to push forward toward a 3-set sweep with two kills from Tolman, a well-executed kill off a slide play from Yraguen and a back row kill by Buescher to add to their lead 23-17.

Lockett began serving and Cordes finished out the set for the Wolverines with two consecutive kills to take the set 25-17 and the match 3-0.

The Lady Wolverines' record was erroneously reported last week. Their actual record is 4-6 overall and 4-2 in league.

The Wolverines will play the Payette Pirates and the Homedale Trojans this week.

The Lady Wolverine frosh/soph team dropped their match in straight sets, 19-25 and 19-25 and the JV team have a similar scenario with a loss of 18-25 and 19-25.

A course change for Weiser from Rolling Hills Golf Course to around Memorial Park resulted in fast times for both the Wolverines and McCall-Donnelly Vandals last Wednesday. Pictured above are from left, Taylor Wiles, Emily Abramson, Naomi Chandler, Leah Ankarberg, Keke Hoobery, Rachel Galliger and Nadine Chandler at the beginning of the 5K run on the track at the Weiser Middle School. Photo by Nicole Miller

Wolverines run season best times against McCall

by Nicole Miller

The Weiser Wolverine cross country team hosted a dual meet against McCall-Donnelly on Wednesday, September 30.

Originally the meet was planned to be also against Parma, but at the last minute Parma received permission to go to a larger meet.

Weiser already hosted a meet at Rolling Hills Golf Course and rather than run that same, very difficult course again, Weiser did a new course route around Memorial Park and

Weiser Middle School. Starting on the middle school track the runners ended behind the tennis courts. The course worked well for both the runners and the spectators who were able to see the runners three times throughout the race from one place near the start/finish line.

Coach Scott Hale shared that this was a good meet for the Wolverines. He was very impressed with their times. McCall has some of the fastest runners in the state, so they were good competition for the Weiser

runners to push themselves.

In the men's 5K race, McCall took the top two spots with Jack McManus finishing the race with a season record time of 17:35, and Nathan Nelson taking second with a season record of 17:49.

These two very fast times pushed sophomore Ben Hanthorn to run his personal best time of 18:04.

McCall runners Nicky Gebhards and Daren Gasaway finished in the top five with times of 19:17 and 20:12 respectively.

Colton Foster, Colyer Chandler, and Charlie Woods finished back to back with times of 20:12, 21:23 and 21:48 taking sixth, seventh, and eighth place.

In the girl's race McCall runner Sophie McManus finished with a top time of 19:47. This fast pace pushed freshman Kendall Rynearson to finish with a personal record of 22:27 in second place.

Libbie Rynearson finished with a season record time of 24:10 in fifth place, Emily Abramson finished with a season

record time of 24:37 in sixth place, and Ellie Eames finished with a season record of 26:04 in eighth place. Nadine Chandler set a personal record with a time of 26:15 finishing in ninth place.

The results for the girls meet were very close with Weiser only losing to McCall by a 5 point spread.

"Overall, racing against a team like McCall, Weiser ran hard and didn't give up. Our individual times show how well we are progressing," Hale said.

The Lady Wolverines played Payette twice last week with the end result being the same. Both games ended in a tie. Weiser's first game was down to the last second when Weiser took a shot at goal but the ref called the goal back due to the shot taken after the whistle blew. Rhianna Soliz (21) is working the ball down the field with Jennifer Juarez, Brie Barbot (4), Shayla Kelley (24) and Elle Svedin (3) ready to assist. Photo by Nicole Miller

Last second shot on goal called back

Lady Wolverines in soccer action ends two games last week against Payette with ties

by Nicole Miller

The Weiser Wolverines girl's soccer team faced off against the Payette Pirates on Tuesday, a game that had been previously delayed due to poor air quality. The two teams are a close match for one another and the game ended in a tie 2-2.

To start off the evening, the Wolverines celebrated senior night, honoring seven seniors. Melissa Sandoval, Gabi Palmer, Erika Lazaro, Jennifer Juarez, Melodee Cathey, Rhianna

Soliz, and Kathy Rivera were all honored for their contributions they have made to the WHS soccer program.

The first half of the game against the Pirates made for a lot of back and forth action. Goalkeeper Sandoval had several stops throughout the first half. Cathey took several shots on goal but seemed to be off on her timing to get the shot past the Payette goalie.

Elle Svedin, Soliz, and Palmer all took shots on

goal in the first half, but were stopped by Payette's goalkeeper.

The second half of the game, the action picked up with Payette scoring near the beginning of the half. Weiser answered with Soliz scoring shortly after. Brooklyn Warner also took a shot for Weiser, but Payette stopped the Weiser shot and answered with a second goal of the night. Payette was ahead 2-1 with 25 minutes left in the game.

Coach Bernie Weldon

shared that he was really proud of the team for not letting the Payette lead get into their head.

"No one panicked. Everyone stayed fully engaged in the game, even on the sideline."

After an offside call on Payette, Weiser dominated the ball with several shots on goal by both Cathey and Soliz, with Soliz finally getting one passed the Payette goalie with 3:37 seconds left in the game.

"After Rhianna's goal with 3 minutes left in the

game, I was thrilled to see our team not satisfied with a tie. Everyone kept pressing both defensively and offensively," Weldon said.

The game ended with a thrilling finish when Weiser moved the ball from Weiser's keeper, Sandoval, the entire length of the field to a goal from Warner with just seconds remaining. Warner took a shot at the whistle for the win, but the referee made a decision that the ball was shot after the whistle offi-

cially ending the game in a 2-2 tie.

"I was really proud of the way the varsity team kept playing literally until the clock ran out!" Weldon said.

The Wolverines faced Payette again in Payette on Thursday, October 1. That game also ended in a tie.

The girls will face both McCall and Fruitland this week and will head to the district tournament the week of October 12 in McCall.

What makes newspaper notice superior to other forms of notice?

Newspapers are more than just the traditional medium for notices. Newspapers watch government activities closely and report on government activities. Newspapers are credible, independent, and can guarantee readership. Newspapers are passed along to other readers, and can provide affidavits of publication.

PUBLIC NOTICE

NOTICE OF PROPOSED CHANGE OF WATER RIGHT
TRANSFER NO. 84341

CITY OF WEISER, 55 W IDAHO ST, WEISER, ID 83672 has filed Application No. 84341 for changes to the following water rights within WASHINGTON County(s): Right No(s). 67-4412; to see a full description of these rights and the proposed transfer, please see <https://research.idwr.idaho.gov/apps/waterrights/querynewtransfers>. The purpose of the transfer is to change a portion of the above rights as follows: The purpose of this transfer is to relocate the points of diversion and places of use for water right 67-4412 in order to bring the water right into compliance with the actual practice. The right will be split into two 10 acre places of use within the City of Weiser. New points of diversion are located at the Galloway Ditch and Mill Ditch from the Weiser River, Washington County, Idaho.

For additional information concerning the property location, contact Western Region office at (208)334-2190. Protests may be submitted based on the criteria of Idaho Code Sec. 42-222. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 W AIRPORT WAY, BOISE ID 83705-5082 together with a protest fee of \$25.00 for each application on or before 10/26/2020. The protestant must also send a copy of the protest to the applicant.

PUBLIC NOTICE**REQUEST FOR PROPOSALS FOR ARCHITECTURAL
SERVICES**

Adams County Health Center Inc. (ACHC) is seeking architectural services for the planning, design and construction administration for either build-to-suit or prebuilt and assembled on site construction of a new community health center in Council, Idaho. The new facility will house four (4) medical providers, (2) behavioral health counselors, two (2) dentists and one (1) dental hygienist, and one (1) optometrist. Space will be required for an in-house pharmacy, x-ray services, laboratory testing, physical therapy services, one (1) emergent care, (1) treatment room, a conference room, laundry, IT and mechanical rooms and a staff break room. If the construction budget permits administrative offices will also be included in the design.

ACHC anticipates receiving federal assistance to fund the project

A copy of the RFP can be obtained from Mary Ann Domecq at ACHC at 208-253-4242 x1008 maryannnd@achcid.org

Proposals will be evaluated and ranked on the following criteria. The maximum point value of each criterion is shown in the parentheses:

Capability to Perform Project	(25 pts)
Relevant Project Experience	(25pts)
Qualifications of Project Team	(25 pts)
Project Approach and Schedule	(25pts)
Selection Committee Interview (opt.)	(30 pts)

Proposals are due by 1 p.m. on 10/21/2020

Adams County Health Center
Address

The ACHC reserves the right to reject any and all proposals.

PUBLIC NOTICE**NOTICE OF PUBLIC HEARING
TO CONSIDER VACATION AND ABANDONMENT
AND/OR,
VALIDATION OF CURLEW HILLS DRIVE AND
RELATED ROADS**

The Weiser Valley Highway District (WVHD) has received a PETITION TO VACATE RIGHT-OF-WAY, AND IN THE ALTERNATIVE VALIDATE RIGHT-OF-WAY AS UNMAINTAINED. ("Petition"). The petition relates to Curlew Hills Drive and any other roads accessed from Curlew Hills Drive, including a road which may sometimes be referred to as Pleasant View Drive (collectively referred to as Curlew Hills Drive), generally located west of Jenkins Creek Road. Curlew Hills Drive is located in Washington County, Idaho.

NOTICE IS HEREBY GIVEN that the WVHD Board of Commissioners will hold a public hearing in accordance with the provisions of Idaho Code Sections 40-203, 40-203A, and 40-208(7) to receive public testimony and consider Findings of Fact and Conclusions of Law regarding the proposed abandonment and vacation of Curlew Hills Drive, and/or whether Curlew Hills Drive should be validated as unmaintained.

Consideration will be given to whether any vacation will be subject to private easements for ingress and egress for owners of property who take access from Curlew Hills Drive.

Any vacation will be subject to retention of public and private utility easements, drainage easements, irrigation easements and/or other easements of record or in use upon or under the described right of way and the provisions for relocation or replacement of existing facilities. Costs associated with relocation or replacement of existing easements and facilities shall be borne by the adjacent property owners with approval of the applicable utility or agency.

The public hearing will be held at the offices of WVHD, 998 Olds Ferry Road, Weiser, Idaho 83672 on October 13, 2020 at 7:00 p.m., or as soon thereafter as the matter may be heard.

The Petition is available for review during WVHD office hours. It is recommended that a telephone call be first placed to WVHD telephone number 208-549-1761 to arrange a time to review the Petition. Any person needing special accommodations to participate in the hearing should contact the WVHD Clerk a 208-549-1761 at least seven (7) days prior to the hearing.

Barbecue food truck a new addition to Weiser

Smokin Tawny's Food Truck's grand opening will be a fun event to celebrate Halloween

by Nicole Miller

Weiser has a new selection for great takeout food with the Smokin Tawny's Food Truck now open on Highway 95 in the empty lot across from Family Dollar.

Tanya Tuttle has years of experience in food service. A little over a year ago, Tuttle and her good friends Francy and Regan Pack, decided to use their experience in food service and open a business working together.

The Packs had owned Taco Del Mar franchise restaurants but wanted to get away from the corporate control of franchise ownership. With a taco truck on almost every corner, and several Mexican restaurants in the Ontario area, the friends decided they wanted to try something different. They noticed the lack of BBQ options in the area, and Smokin' Frannys was born.

Tuttle has spent the last year working with the Packs and business has been really good. With their location by Love's Travel Stop in Ontario, they have customers from all over the country, and many of the truckers have

told them their barbecue rivals that of restaurants in the south.

"The ribs are definitely a favorite. They literally fall right off the bone," Tuttle said

Tuttle and Packs decided it was time to expand their business, so Tuttle chose to open her own truck here in Weiser. Keeping with the Smokin' name Tuttle will have all the same original recipes that their customers have grown to love.

The advantage of the food truck is two fold and both benefit the consumer. First, a brick and mortar restaurant has much more overhead expense for both start up and day to day expenses. With the truck, Tuttle said she is able to bring the consumer a much higher quality product for less money. She also said that the smaller menu of the food truck means that they can specialize in their specific menu, making it the best it can be.

Tuttle is running the food truck by herself, so she will be open as much as she can as the sole operator and employee. She is currently open Tuesday through Friday from 11 a.m. to 7 p.m. and will be

Tayna Tuttle and her daughter Kylee Tuttle are ready to serve the community delicious barbecue six days a week. Smokin' Tawny's BBQ is planning a grand opening on October 17 with a fun Halloween event. The day will feature a pumpkin carving contest with prizes. Photo by Nicole Miller

open on Saturdays but will figure out her hours for that day based on business in the first few weeks.

In order to get in on some Halloween fun and

welcome the community with a fun grand opening event, Tuttle's and her daughter Kylee will be hosting a pumpkin carving contest on October 17.

They will have pumpkins and tables set out for carving all day from 11 a.m. to 7 p.m. They will have prizes for winners of the different categories

at the end of the day. Participants should bring their own carving tools and patterns and all children with sharp tools must be supervised.
